COVENANTS, CONDITIONS, RESTRICTIONS, RESERVATIONS, AND CHARGES

The property described in Section I hereof is encumbered by the covenants, conditions, restrictions, reservations and charges hereinafter set forth to ensure the best and highest use and the most appropriate development and improvements of each lot for residential purposes within said subdivision; to protect owners of lots against improper use of surrounding lots; to preserve so far as practicable, the natural beauty of said property; to guard against the erection of poorly designed or porportioned structures of improper or unsuitable materials; to encourage and secure the erection of attractive improvements on each lot with appropriate locations; to prevent haphazard and inharmonious improvements of lots; to secure and maintain proper setbacks from streets and adequate free space; and in general to provide for development of the highest quality to enhance the value of investments made by owners.

No carports shall be permitted, except when approved in writing by the Architectural Control Committee as hereinafter provided. No building shall remain uncompleted for more than one year after construction has been commenced.

B. Dwelling Size. The ground floor area of the main structure of a single story, single-family residence shall be not less than 1,200 square feet, excluding all open and covered porches and garage units. If more than one story, the ground floor area shall be not less than 700 square feet, excluding open and closed porches and garage units, and not less than 1,500 square feet for the combined area for the first and second floors. The Architectural Control Committee may approve a dwelling size containing less square feet, but such approval must be in writing.

C. Masonry. Each dwelling shall have not less than 15% of its exterior walls of masonry construction; provided, however, the Architectural Control Committee may waive this requirement in whole or in part, but any such waiver must be in writing.

D. Fences. No fence, wall or hedge shall be erected, placed or altered on any lot nearer to any street than the front wall of any house.

The Committee shall be composed of three members. The original members of the Committee shall be Bill Milburn, Gail Nichols and Tom Pfuntner. The majority of the Committee may designate a representative to act for it. In the event of death or resignation of any member of the Committee, the remaining members shall have the authority to designate a successor by filing with the Committee and the Developer a written designation of the successor. In the event of the death or resignation of any member of said Committee, the remaining member or members shall have full authority to act until the member or members have been replaced. The Committee's approval or disapproval as required herein shall be in writing. In the event the Committee fails to approve or disapprove the plans and specifications and plot plan for the improvements to be erected or placed on a lot, or the plans and specifications for the alteration, modification, addition to or removal of any improvements located on a lot, within thirty (30) days after the same have been submitted to the Committee, then in that event the same shall be deemed approved and this covenant complied with. All plans and specifications shall be delivered to the Developer not less than thirty (30) days prior to the date construction is to be commenced at its office at 7440 Ed Bluestein Boulevard, Austin, Travis County, Texas, or such other address as it may designate, by certified

The easement area of each lot shall not be fenced out of the lot and shall be maintained continuously by the owner of the lot. Owner shall comply with all regulations relating to 100 year flood plains, if any, contained within easements shown on the plat of record in the Subdivision.

G. Nuisances. No noxious or offensive activities shall be carried on or upon any lot, nor shall anything be done thereon which may be or may become an annoyance to the neighborhood, or which is opposed to the purpose of these restrictions.

H. Temporary Structures. No structure of a temporary character, mobile home, trailer, basement, tent, shack, garage barn, or other out-building shall be used on any lot at any time as a residence, either temporary or permanent. No building may be moved on any lot.

minimum above the one hundred year frequency flood level; the affected lots and the minimum elevations are set forth on the recorded subdivision plat.

V.

REQUIREMENTS ON PLAT

All other requirements, restrictions and prohibitions contained on the plat of the Subdivision are incorporated herein by reference.

VI.

TERM

These covenants are to run with the land and shall be binding on all parties and all persons claiming under them until January 1, 2009, at which time said covenants shall be automatically extended for successive periods of ten years each, unless by a vote of a majority of the then owners of the lots encumbered by this Declaration, it is agreed to change said Declaration in whole or in part.

Any such instrument of amendment or termination must be executed and acknowledged by fifty-one (51%) per cent of the then owners of lots encumbered by this Declaration and filed of record in the Deed Records of Travis County, Texas. The instrument of amendment or termination shall be effective to amend or terminate this Declaration at the expiration of the initial year term if such instrument is filed of record as set forth above during the initial term hereof; or if such instrument is filed of record and set forth above during any ten (10) year period of extension, this Declaration shall be amended or terminated (as the case may be) at the end of such 10 year period of extension. Notwithstanding anything contained herein to the contrary, the Developer, its successors or assigns, may amend these covenants at any time, or from time to time, in order to correct any typographical errors or other errors or omissions in form which, in the discretion of the Developer,

its successors or assigns, may require amendment in order to properly reflect the intent hereof. Such amendments to correct typographical or other errors shall be effective on the date that such an amendment is filed of record in the Deed Records of Travis County, Texas, by the Developer, its successors or assigns.

VII.

ENFORCEMENT

If the owner of any lot, or his heirs, executors, administrators successors, assigns, or tenants shall violate or attempt to violate any of the covenants set forth in this Declaration, it shall be lawful for any person or persons owning any lot encumbered by this Declaration, or Developer to prosecute any proceedings against the person or persons violating or attempting to violate any such covenants. The failure of the owner or tenant to perform his obligations hereunder would result in irreparable damage to the Developer and other owners of lots in the Subdivision, thus the breach of any provision of this Declaration may not only give rise to an action for damages at law, but also may be enjoined by an action for specific performance in equity in any court of competent jurisdiction. Such action may be brought against any person, firm or corporation violating or apparently about to violate any of these covenants, either before such violation occurs or within a reasonable time thereafter, for an appropriate order or injunction of either a restraining or mandatory nature or both and of either a temporary or permanent nature or both, including, but not limited to one restraining construction of any improvements commenced, or about to be commenced, without the prior written approval of the Committee or for the removal of any improvement constructed without the prior written approval of the Committee. In the event enforcement actions are instituted and the party

bringing such action is successful in obtaining any relief, then in addition to the remedies specified above, the party or parties against whom such relief was granted shall pay to the enforcing party costs and reasonable attorney's fees in such amount as the court may determine.

VIII.

SEVERANCE

In the event any of the foregoing covenants, conditions, restrictions, reservations or charges is held invalid or unenforceable by a court of competent jurisdiction, it shall not affect the validity and enforceability of the other covenants, conditions, restrictions, reservations, or charges. If one of the foregoing is subject to more than one interpretation, the interpretation which more clearly reflects the intent hereof shall be enforced.

IX.

NUMBER AND GENDER

The singular shall be treated as the plural and vice versa if such treatment is necessary to interpret this Declaration. Likewise, if either the feminine, masculine, or neuter gender should be any of the other genders, it shall be so treated.
